Basic Terms I **Grundbegriffe**

All sales are final and all orders are custom. I try to keep no stock. It takes time to process an order, typically from around 10 to 28 business days plus shipping time. Sometimes I am able to ship things right away if I have them already manufactured. Delays are possible due to external factors such as pandemic situation, disruptions in the supply chains of key materials, disruptions in logistics, and occasional misprints. If you cannot wait, then you should not order. Caution: PET G products are not rollable.

Alle Verkäufe sind endgültig und alle Bestellungen sind individuell. Ich versuche, nichts auf Lager zu haben. Die Bearbeitung einer Bestellung dauert in der Regel zwischen 10 und 28 Werktagen plus Versandzeit. Manchmal kann ich Dinge sofort verschicken, wenn ich sie bereits hergestellt habe. Verzögerungen können durch externe Faktoren wie Pandemien, Unterbrechungen in der Lieferkette von wichtigen Materialien, Störungen in der Logistik und gelegentliche Druckfehler entstehen. Wenn du nicht warten kannst, dann solltest du nicht bestellen. Achtung: PET-G-Produkte sind nicht rollbar.
